Baserunner Rake MADE IN THE USA

The Professional's Choice... a Field Rake with a telescopic handle. Knocks down for easy storage. The perfect tool for grooming infields and beach volleyball courts. The high-grade aluminum alloy head was designed specifically for the sports turf industry, but it is also highly respected in the professional lawn and garden industry. The high straight edge is excellent for grading, while the rounded teeth are non-gouging. **The double lock telescopic handle easily adjusts from 39" to 70"!**
