

“We tested Armada on two lawns last summer. One of them had the most severe case of brown patch I had ever seen. Not only did Armada clean up the brown patch, but it kept it out for 35 days.

As a lawn care company, we need a product that will work curatively as well as preventively for 28 to 30 days. To be able to control costs and use one product for every situation makes Armada a great fit for us. It couldn't be better suited for our program.”

Jonathan Rigsbee, GrowinGreen, Greensboro, NC

Disease	Armada Fungicide 50 WP Use Rate (oz per 1,000 ft <sup>2</sup> )	Application Interval/Timing
Brown patch, Dollar spot, Leaf spot, Anthracnose, Gray leaf spot, Red thread, Pink patch, Rust, Southern blight	0.6 – 1.2	14 – 28 days
