

Product Data Sheet

HAND-Y CLEANING TOWELS

No. 35021 - 04/07

VOC: 50g/l

PRODUCT NUMBER: C5021 - 75 towel dispensing container

I. GENERAL DESCRIPTION

Description: The general purpose, premoistened cleaning towel. This convenient cleaning towel is non-flammable, contains no harmful ingredients and cuts through grease and oil quickly.

Benefits: Hand-Y Cleaning Towels meet the South Coast Air Quality Management District Regulations on VOC's. VOC content (50 g/l). Towels are lint free and need no water. This product requires no rinsing, leaves no residue and dries quickly. Removes dirt, heavy grease, oils, tar, asphalt, inks, wax, lubricants, and adhesives.

Applications: Cleaning uses include tools, equipment, plastics, metals, hands, painted surfaces, vinyls, work surfaces, ect.

Directions: To begin dispensing, pull up on tab to open resealable lid. Remove canister cover by lifting top edge away from canister. From center of roll, pull up towel corner, thread through the "star" in the lid cover about 1 inch. Replace cover on canister, assuring a secure fit and seal. Pull out first towel and snap off at a 45° angle. Remaining towels will follow for next use. Close resealable lid to maintain moisture and integrity of towels. Open and unfold cleaning towel to full size, 10 x 12 inches, and begin cleaning.

Limitations: Please refer to Material Safety data Sheets for specific information on material hazards, ect. Always test product on acrylics, vinyl and sensitive surfaces, in a small hidden area before use.

Packaging:
